W.F. Norman Grave Markers

From its turn-of-the-century factory in Nevada, Missouri, the W.F. Norman Corporation still operates machines as old as the company itself. Since 1918 Norman Markers have been a symbol of quality and caring. Enamel baked galvanized steel ensures long lasting and rust resistant use. Acrylic panes, polyethylene envelopes and bristol cards are included in your order. Markers are packed 25 to a box with a minimum order of one box. Colors available are: Gray, Green, or Black.
